

2 generations of Pennys (so far identified) in the 1600s - the Auchterarder start point

William 1658 - ????

The Auchterarder connection. Maybe we are not, long term, from the North East and I wonder where this Auchterarder root came from? William married Jean Cauthrie on 20 October 1687.

James 1690 - 17??

James was born in Auchterarder on 12 Jul 1690 and married Christian Knight (born 1695) in Rathen on 7 Jul 1715. Their twins (Christian and William Robert) were born on 29 Aug 1717 - Christian died on the same day. So far I have not discovered when and where either James or Christian died and as they married in the parish of Rathen I am assuming they died there.
This marks the start of the Rathen connection.
